

CUSTOMER TESTIMONIALS

Good morning Thad & Missy, – We just wanted to once again say thank you for the wonderful job done on our patio. We have already gotten many compliments on the beauty of it. Please give our thanks to both Tyler & Paul as well. They, like the both of you worked extremely hard and in a very professional manner making sure every detail would be completed to our 100% satisfaction. I hope you didn't mind me watching you guys work, I'm not one of those homeowners that tries to nitpick, I just enjoyed seeing the way everything came together during the entire process & the absolute beauty of your efforts. We will get many years of pleasure from our patio, which has already begun.

Because of the beautiful end result of your workmanship, if we know of anyone needing any work done that falls within the parameters of your expertise, your company will come very highly recommended.

– Regards, Bill & Joyce Herring
